MEMORANDUM FOR: Deputy Director of Central Intelligence  
Deputy Director for Administration

FROM: Director of Central Intelligence

SUBJECT: Federal Travel Regulations

I'm really burned up by the GSA amendment to the federal travel regulations:

1. The idea that the head of GSA should order that only I can approve first-class travel is ridiculous. If enough people like this tell me how to spend my time on trivia such as this, there is no way I can ever get the job done. First-class travel may be a major event for the GSA but it's not for me. I'd appreciate your advice on where I go to appeal this incursion into my management time for a less than agency head topic.

2. Beyond that, I could hardly find a clause in here that would permit me to go first-class if I were traveling let alone anybody else in our Agency. I think that's utterly ridiculous.
